**RE: 2010 Contract Service Rates
Residential Services (SPC 202, 506, 711)**

On January 1, 2010, Creative Care Options of Fond du Lac County will become a new Family Care entity that will be called the Lakeland Care District (LCD). Later in 2010, Manitowoc County and Winnebago County will join LCD. This memo and the enclosed application are being sent to prospective LCD Residential Services providers to solicit rate and service proposals for 2010 LCD contracts.

LCD will review application and rate proposals for Residential Services using the following criteria:

1. Applications completed, signed, and returned by the deadline indicated below.
2. Provider's application and related material in relation to applicable contractual and regulatory criteria for reimbursement as indicated in the Department of Health Services contract.
3. Provider's rates for service in comparison to similar service providers in the network.

Please complete, sign, and return the enclosed application material by **October 23, 2009**. Please send me an email if you would like the attachments sent electronically. I can be reached at (920) 906-5127 or jill.burdette@fdlco.wi.gov for questions.

Enclosed with this memo you will find the following form(s):

Section V Capacity

Capacity: LCD is required to report to the Department of Health Services (DHS) that it has adequate capacity within its network to meet the needs of current and prospective members. The information indicated here from Residential Services providers assists LCD in determining whether it needs additional Residential Services providers in our network.

Describe how your agency determines adequate capacity. For example, do you frequently inquire whether employees want additional hours? Do you turn down referrals? What is your current capacity?

Section VI Service Description Narrative

Service Description. Please indicate which services your narrative applies to. Make copies and complete different narratives if the service descriptions are different. This narrative will be made available to staff, and to members upon request, when asking for information related to choosing a provider. It is important that this description be inclusive and relatively brief, as staff will be reviewing this section when determining which vendors can meet specific member’s needs. If you produce written brochures/materials describing your contracted services, that information may be attached in lieu of a written description.
